ABOUT US

Empowering Futures, Igniting Minds!

A.R Education Consultancy (AREC) stands as a pioneering private limited company at the vanguard of international education consultancy. Strategically headquartered in the dynamic urban centres of Kathmandu, Lalitpur, and Makawanpur in Nepal, with an established presence in Preston, United Kingdom, AREC serves as a crucial link connecting aspiring Nepalese students with world-class educational opportunities across the globe.

Our primary focus lies in facilitating access to premier institutions in the United Kingdom and throughout Europe. Additionally, we extend our expertise to guide students towards exceptional educational pathways in Australia, the United Arab Emirates, Canada and other destinations according to our student's interest. Through our comprehensive services, AREC effectively bridges the geographical and cultural divide, empowering Nepalese students to realise their academic aspirations on an international scale.

We aim to be the leading force in Nepal's education consultancy industry, setting new standards in student success and global academic partnerships. Our vision is to create a world where every student has access to the best international education opportunities, helping them grow personally and professionally. By leveraging strong partnerships with premier institutions worldwide, we aspire to shape future leaders who will contribute to a globally connected society.
